HOW AMAZING IS THAT?!

I was recently asked, "What is something about God that amazes you?" Lately I've been thinking about how much God loves me. The Creator of the Universe that has ALL power and can make magnificent diamonds in the sky tenderly loves and cares for ME! To me, THAT is amazing!

Maybe you're like me and sometimes need to feel special. Zeph. 3:17 says, *"Do not lose courage! The Lord your God is with you. He is a hero who saves you. He happily rejoices over you, renews you with His love, and celebrates over you with shouts of joy."* HOW AMAZING IS THAT?!

Have you ever had your heart broken? Ps. 147:3 says, *"He heals the brokenhearted and binds up their wounds."*

Do you ever need help? Is. 40:11 says, *"He tends his flock like a shepherd: He gathers the lambs in His arms."*

Do you ever feel forgotten? Is. 49:15-16 says, *"...I will not forget you! See, I have engraved you on the palms of my hands..."*

Let's never forget:
THE AWESOME GOD of the UNIVERSE
tenderly loves US!
HOW AMAZING IS THAT?!

Many Ministries ...

Miss Kuecken started teaching Map 2 bible on September 14, which was last week Monday. She's only going to be teaching until the end of this term; so for two weeks. She says she's out of her depth because she doesn't have much experience teaching this age but she is sure she will have fun. She's also helping Mrs. Sehorn with Art for Map 2 and currently they are making a mural of Malango School and they're hoping to put it up in the library. According to Miss Kuecken, the kids are good and have lots of energy. She is also doing her job in the finance office which is a full time job and she is very busy. Her wise words for Map 2 and all the other kids in the school are, "Fall in love with the bible, it's the most important book you'll ever read."

KW

Katie Diepenbrock was the first person to turn in the unscrambling of the bible puzzle with all the correct answers:

Elijah, Stephen, Paul,
Abraham, Silas, Noah,
Sarah, Anna, Moses, Titus

**Congratulations Katie,
keep up the good work!**

Evolution or creation?

- Take a disassembled car engine and put it in a container.
- Shake it up for one million years.
- If you don't have a running car by then, just accept God!

HOT NEWS!

Last day of term one 25th of September!!
Beginning of term two 14th of October.

New student council:

Anna Diepenbrock, Danielle Wright, Frani Gerst,
Holly Sehorn and Jemimah Tagani under the inspiring
leadership of Miss Rachel Knight and The Tinkers!

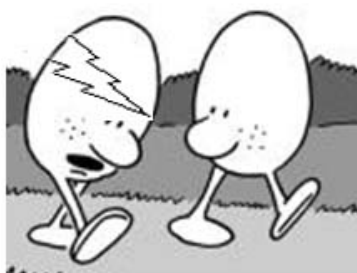

Head masters note:

Are you ready for a break?

One teacher recently said that she could keep going and didn't really need a break. Maybe you love to learn and looking forward to two and a half weeks without anything to study seems boring to you. I am guessing that for most of us we are really looking for some much needed time off.

I want to thank everyone, students and staff, who have worked so hard this term. I also want to thank you for working through all the changes and for doing your best.

Have a great break.

Everyone **hears** what you say,
Friends **listen** to what you say,
Best friends **listen**
to what you **don't** say.

A friend is someone who thinks
you're a good egg,
even if you're slightly cracked.

Interesting facts

- The sound you hear when you crack your knuckles is actually the sound of nitrogen gas bubbles bursting.
- Strawberry is not a fruit, it is a receptacle. California is the largest producer of strawberries with almost 20000 acres dedicated to growing the fruit. Surprisingly the entire land of the USA is considered to be fertile for growing strawberries. If consumed in the right amount this fruit can fill in almost 20% of human body's daily requirement for folic acid and 140% of Vitamin C. It is the only fruit with the seeds on the skin and a strawberry on an average has 200 seeds. The fruit belongs to the family of rose and has a museum situated in dedicated to it. MW

KIDS CORNER

Guess who is the student of the week? Hilda S. Hilda is the only 1st grade girl in her class and brought her little chick in to show the class.

Special privileges were given to Hilda such as, eating lunch with Mrs. Sutton, and having special important jobs to perform. Congratulations Hilda.
